

Moving on...

...after a devilishly good time!

2003: Finished with 5 breed wins over group-placing specials

2004: #5 Wheaten, All Breed & Group, #8 Breed

**2005: AKC/Eukanuba Invitational BOS & Best Bred By
Westminster Kennel Club BOS**

Top Ten All Breed & Group (*through 4/30*)

And in her final 2 shows on the DeVal Specialty Weekend:

BOS at the Supported entry at GSATC and at the Specialty at Bucks

It was a wonderful ride.

It may not have “taken a village” to make Morgen a special...
indeed, she says all it took was a bit of ‘magic chicken’...but many people helped.

First and foremost, her owners Marc and Meryl Strassler, who let her be a weekend warrior
and her “big brother”, Mack, CH Banner Local Hero who tolerates her.

Thanks also to Stone’s breeder/co-owner Bev Streicher; to Gary Vlachos for some patient
mentoring; and to our fellow Wheaten *and* Terrier exhibitors who always knew the right
times to say “she really looked nice today.”

And, of course, thanks to the many Breed and Group judges who found her.

Morgen is moving on...to the whelping box this fall.

Serious inquiries welcomed.
